Let the #critlib begin -- let's start with introductions and then we'll get into the questions!

Nicole Pagowsky
@pumpedlibrarian

Hi #critlib, I'm yr mod 2night & am research+learning librarian at U of AZ. My co-author (of the article for tonight) is here too [@eldefrain](#)

Nicole Pagowsky
@pumpedlibrarian

Keep doing intros, but let's get rolling w Q1: Have you experienced negative effects from librarian stereotypes in your teaching? #critlib

@edrabinski · 3 YEARS AGO

Ian Beilin
@ibeilin

[#critlib](#) A1: Frequently in one-shots, I have run into many of the stereotypes that you write about in the article - most of them, in fact.

@pumpedlibrarian

[@foureyedsoul](#) ugh that is disappointing [#critlib](#)
