CritLib Chat: critical librarianship in a Trump administration

Description from CritLib page: This is the first in what may be many chats about life in an information-hostile political regime. The questions are meant to be applied broadly to most facets of libraries and librarianship. Participants are encouraged to apply them to their specific library types or areas of focus, e.g., information literacy or special collections.

Jenna Freedman
@zinelib

Welcome to tonight's [#critlib](#)! I'm co-moderating (from behind the scenes) w [@bembrarian](#). He'll be tweeting the Qs. I'm available 4 whatever.

 A YEAR AGO

Greg Bem
@bembrarian

This chat's 90 minutes, and we've got 6 questions, so we're going to get right to it! Thanks for being here, everyone. [#critlib](#)
